

ESI Vejer School's Spanish Immersion Camps have been designed for international students who want to improve their Spanish skills in a friendly and fun environment. Our native Spanish, qualified teaching staff are all dedicated professionals with great experience in teaching Spanish as a foreign language.

We endeavour to completely immerse students in the Spanish language, providing 4 hours a day classroom study plus many opportunities outside of the classroom to socialise and take part in activities, gaining confidence and fluency as they interact with other speakers.

Our goal for each student, regardless of their starting ability, is to leave the Camp more confident and fluent in their spoken and written English and with a clear understanding of how to continue this learning at home.

Looming moodily atop a rocky hill above the N340, 50km south of Cádiz, this serene, compact white town is something very special. Yes, there's a labyrinth of twisting old-town streets plus some serendipitous viewpoints, a ruined castle, a surprisingly elaborate culinary scene, a smattering of exquisitely dreamy

hotels and a tangible Moorish influence. But Vejer has something else: an air of magic and mystery, an imperceptible touch of *duende* (spirit) (Source: lonelyplanet).

The proximity to the long, fine sandy beaches and unspoilt dunes surrounded by pine forests, makes this magical place the best destination to spend your holidays learning Spanish.
